INGREDIENTS

Fishmeal (a natural source of glucosamine) sourced from wild fish caught in New Zealand waters, ground Idaho potato, flaxseed meal, tallow, (stabilized with vitamins C & E in the form of natural tocopherols, citric acid, rosemary extract) fish oil (for the correct balance of omega 3 and omega 6), kelp (a source of chelated minerals), oregano, rosemary (a powerful antioxidant and promotes cardiac vascular health), garlic, salt, added vitamins and chelated minerals.

ALWAYS ENSURE FRESH WATER IS AVAILABLE

Feeding Guide

1-1 1/2 cups (100-150 gms) per 10 kg of body weight per day.

When introducing your dog to Canis, mix 25% Canis with their existing food, then gradually increase the Canis to 100% over the next week
